

Alan Lau

Chairman & CEO of WeSure

Mr. Lau is currently Chairman & CEO of WeSure, Tencent's Internet insurance platform. He started working with financial institutions, tech firms and internet companies in the 1990s, in his previous role as Senior Partner at McKinsey & Co., and later as Asia Head of McKinsey Digital. He started working with Tencent in the early 2010s, and brought together offline and digital capabilities to create new businesses. He joined WeSure in 2016. Mr. Lau graduated from Oxford University with a Master degree in Engineering, Economics and Management.
