

### **About Alex Kong**

Alex Kong is the Founder and Chairman of TNG FinTech Group, which offers the next generation financial services to the 1.2 billion unbanked population in Asia through its various e-wallet platforms under the Global E-Wallet Alliance, including TNG Wallet, PhiliPurse, INDompet, XIN Wallet and others.

In Alex's leadership, TNG Wallet has recorded rapid development in both user base and transaction volumes, with transactions exceeding USD1 billion in the first two years of launch. Alex's vision and mission is to provide financial inclusion to the unbanked populations around the world.

### **About TNG Wallet**

TNG Wallet is "The Next Generation" e-wallet offering virtual banking services to the 1.2 billion unbanked population in Asia. Its cutting-edge financial services include payment for purchases, global remittance, P2P money transfer, global bill payment, global cash withdrawal, global SIM card airtime top-up, foreign exchange transaction, e-coupon redemption, e-ticketing and so on. With a network of 852 banks and over 183,000 cash pick-up points across 13 Asian countries, TNG also provides 24x7 cash-in and cash-out services. TNG Wallet is the product of TNG (Asia) Limited, a member of TNG FinTech Group. TNG (Asia) Limited secured the Stored Value Facilities Licence from the Hong Kong Monetary Authority in 2016. Since then, it has recorded rapid growth in both user base and transaction volumes, with transactions exceeding USD 1 billion in the first two years of launch.
