

HKUST Business School

Driven by a commitment to innovation and excellence, the School sets its **vision** to become a top-tier business school in the world, with three key **missions**:

VISION

We are committed to becoming a top-tier business school in the world

MISSION

- To advance global business knowledge
- To develop business leaders in Asia for the world
- To contribute to the economic and social advancements of the region

The School has established four **values** that exemplify its core essence –
World Class in Asia:

CORE VALUES

Achieve World Class Quality

We are uncompromising in our drive to deliver world-class research and education

Embrace Entrepreneurial & Innovative Spirit

We embrace an entrepreneurial spirit that stimulates innovation, drives productivity and energizes our commitment to learn and grow

Foster Caring Attitude

We take an active interest in and show genuine concern for the communities we serve and the world we live

Make Positive Impact

Our faculty, students and graduates strive to make a positive impact on business and society

International Rankings

Recognition testifies our efforts
dedicated to education and
research
